

A diagram consisting of a grey rectangular box with a black border. Inside the box, the text `systems.item.InventoryItem.__init__` is displayed in black. Above the box, a blue curved arrow originates from the top edge of the box and points down to the right, ending at the `__init__` part of the text inside the box, indicating a self-call or initialization process.

```
systems.item.InventoryItem.  
__init__
```
