graph LR; A[systems.game.Game.craft] --> C[systems.game.Game.add_item]; B[systems.recipe.RecipeBook.craft] --> C; C --> C;
```

The diagram illustrates a directed graph with three nodes. Two nodes on the left, 'systems.game.Game.craft' and 'systems.recipe.RecipeBook.craft', are white with black borders. They both have blue arrows pointing to a third node on the right, 'systems.game.Game.add_item', which is gray with a black border. The 'systems.game.Game.add_item' node also has a blue curved arrow pointing back to itself, representing a self-loop.
